

Myra Canyon

A spectacular 8.5 km section of the Kettle Valley Railway (Carmi Subdivision) containing 18 trestles and two tunnels.

MYRA CANYON TRESTLE RESTORATION SOCIETY

1993 - 95:
Under the leadership and direction of the Society, individual volunteers, service clubs, school groups, and small and large corporate businesses of the Okanagan, joined together to deck and handrail the trestles for the safety of all visitors to the Canyon.
